

The Toy Shoppe

The Toy Shoppe will be open this year during our monthly **Table Food Ministry food distribution** and **The Closet Clothes Ministry**. We will open a separate toy store for our neighbors to shop for their children's Christmas gifts. Please bring an **UNWRAPPED** gift (\$20 limit) to bring a smile to a child's face this Christmas. We need toys for boys & girls, ages 0-teens.

Gift cards for \$20 are accepted for the teenage children— they like Toy's 'R Us, Game Stop, Academy, Bass Pro Shops, and more.

Right now, we have almost 90 children on our monthly program and that is who is eligible for our annual Toy Shoppe. God is so good, that we have always had enough and we have always been able to donate the extra to the Benton Fire Department each year. Closer to December, we will have a more accurate list of the ages and genders, but they change and grow around Christmas and it is hard to know how many we will have. The Toy Shoppe opens:

Wednesday, December 17 from 11-5 p.m.
